GISH - OUR SCHOOL LOCATION

The **German International School of Houston (GISH)** is located centrally, right in the heart of Houston. Nestled in between the Texas Medical Center, Rice University, and the Museum District, the school finds itself right in the middle of our vibrant city. At the same time, the adjacent Herman Park, the tree-lined streets with hundreds of live oaks, and the beautiful campus with its serene courtyard convey serenity, supporting an atmosphere of peace, focus, comfort, and patience.

The location features beautiful, light-filled classrooms, coming of the tranquil courtyard. The campus also includes a spacious, tree-shaded, playground for the everyday outside activities and playtime of our students.

As **GISH** families come from all over town, location and accessibility are key. The school is located just north of the Texas Medical Center, with easy access to U.S. Highway 59, Interstate 610, and State Highway 288. A Metrorail station (Red Line, Memorial Herman Hospital station) is just across the street from the school campus.

For a tour of our school, please call us at 832-831-6843, or make an appointment at gish-houston.org/tour/

The inviting courtyard is right outside our classroom doors.

The perfect gathering place for some of our outdoor activities.

We love our tree shaded playground and gardening area where we learn about plants, fruits and vegetables.
