**WILLKOMMEN + WELCOME**

"I would like to welcome you to our unique, dual language immersion program. Here students not only enjoy a fun and exciting preschool setting but also experience the German and American cultures within our classrooms. Our teachers and parents are dedicated to fostering a bilingual and multicultural community where our students can learn and grow into well-rounded, independent, and caring individuals.

Preschool allows students to not only learn academically but to also develop their social-emotional skills by partaking in group activities and playing with other children. It is my belief as an educator that a positive, welcoming learning environment at a young age sets a child up for lifelong success. Our goal at *GISH* is to provide exactly that: a learning environment dedicated to the future success of our students."

Sincerely,

**Jennifer Fayn**
